

**IES 2013 Annual Meeting – Detailed Program**  
**April 9 – 10, 2013, Leonardo City-Tower Hotel, Tel-Aviv**  
**Tuesday, April 9<sup>th</sup> 2013**

07:30-08:00	<b>Registration, Exhibition Tour &amp; Refreshments</b>	
08:00-09:45	<b>Short oral presentations (3 parallel sessions)</b>	
<b>Diabetes, Obesity &amp; Metabolism- Bareket Hall</b> Chairs: Benjamin Glaser, Hannah Kanety	<b>Thyroid &amp; Adrenal-Shoham Hall</b> Chairs: Zaki Kraiem, Pnina Rotman	<b>Bone, Vitamin D and Calcium Metabolism- Coral Hall</b> Chairs: Dov Tiosano, Liana Tripto
09:45-10:15	<b>Refreshments &amp; Exhibition Tour</b>	
10:15-10:25	<b>Opening remarks: Eddy Karnieli, Alon Chen - Bareket Hall</b>	
10:25- 11:15	<b>Plenary Lecture 1 - Chair: Alon Chen, Yoav Sharoni - Bareket Hall Walter Miller, "New aspects of androgen biosynthesis"</b>	
11:15-12:30	Guided poster session	
12:30-13:30	Lunch & Exhibition Tour	
13:30-14:30	<b>Plenary lecture 2 - Chairs: Eddy Karnieli, Derek Leroith- Bareket Hall Gerald Shulman, "Cellular mechanisms of insulin resistance: Implications for obesity, lipodystrophy, type 2 diabetes and the metabolic syndrome"</b>	
14:30-16:00	<b>Symposiums (2 parallel sessions):</b>	
<b>Cholesterol trafficking and cleavage: mechanisms and clinical implications Bareket Hall</b> Chairs: Yossi Orly, Eli Hershkovitz	<b>Transition in Endocrine Care Madrid-Milano Hall</b> <i>Sponsored by Novo Nordisk</i> Chairs: Orit Pinhas-Hamiel, Nehama Zuckerman-Levin	
<b>Walter Miller, "Pathogenesis and Physiology of Congenital Lipoid Adrenal Hyperplasia"</b>	<b>Alan Rogol, "Transition from pediatric-based care to adult-based care: The example of T1DM and growth hormone deficiency"</b>	
<b>Eli Hershkovitz, "Side Chain Cleavage enzyme defects-varied and unexpected phenotypes"</b>	<b>Ohad Cohen and Yael Levy-Shraga, "Transition Clinic at Sheba Medical Center: principles and results"</b>	
<b>Moshe Gavish "Biological relevance of TSPO- steroid interactions"</b>	<u>Roundtable discussion:</u> "Is a child a small adult?" Moderator: Amnon Zung	
<b>Yossi Orly, "StAR impact on mitochondria: remodeling the organelle protein quality control machinery"</b>		
16:00-16:20 Coffee break		
16:20-17:20	<b>Meet the Professor / Expert (2 parallel sessions):</b>	
<b>Emerging role for microRNA in endocrine tissues – Madrid-Milano Hall</b>	<b>Year in Pituitary- Tokyo Hall</b>	
<b>Eran Hornstein, "Regulation of beta-cell mass and identity by microRNAs"</b>	<b>Yona Greenman, "The year in Pituitary: summary and review of the latest advancements in the field"</b>	
<b>Michael Walker, "Regulating the regulators: transcriptional control of miRNA genes"</b>		

**IES 2013 Annual Meeting – Detailed Program**  
**April 9 – 10, 2013, Leonardo City-Tower Hotel, Tel-Aviv**  
**Wednesday, April 10<sup>th</sup> 2013**

7:30-8:00	<b>Registration, Exhibition Tour &amp; Refreshments</b>	
8:00-9:45	<b>Short oral presentations (2 parallel sessions) and one Symposium</b>	
	<b>Pregnancy and endocrinology- Chairs: Ilan Shimon, Moshe Hod - Bareket Hall</b>	<b>IGFs and Cancer - Chairs: Haim Werner, Philippa Melamed – Shoham Hall</b>
	<b>Moshe Zloczower</b> , Basal insulins in pregnancy - old vs. new players	<b>Reproduction and Puberty</b> Chairs: Venessa Rouach, Zeev Blumenfeld <b>Coral Hall</b>
	<b>Yoel Toledano</b> , Management of Pituitary Tumors in Pregnancy	
	<b>Moshe Hod</b> , Diagnosis Gestational Diabetes in Israel-update	
9:45-10:15	Refreshments & Exhibition Tour	
10:15-11:45	<b>Symposiums (2 parallel sessions):</b>	
	<b>Stem cells in endocrine research - Chairs: Rina Meidan, Karen Tordjman- Bareket Hall</b>	<b>Osteoporosis: Chairs: Yair Liel, Elena Segal Coral Hall</b>
	<b>Shimon Efrat</b> , “Ex-vivo generation of insulin-producing cells for beta-cell replacement in diabetes”	<b>Jaron Rabinovici</b> , “Treatment of the early post-menopausal woman: update on HRT and SERM therapies”
	<b>Sarah Ferber</b> , “Autologous cell replacement therapy for diabetes-by adult cell reprogramming”	<b>Sofia Ish-Shalom</b> , “The use of bone turnover markers in the treatment of osteoporosis”
	<b>Lilach Gilboa</b> , “Hormonal regulation of germ line stem cell establishment”	<b>Iris Vered</b> , “Bisphosphonates for osteoporosis: issues of timing, time limits and alternatives”
		<b>Rivka Dresner-Pollack</b> , “Sweet bones- osteoporosis in diabetic patients”
11:45-13:00	<b>Prizes session and IES members assembly meeting - Bareket Hall</b>	
13:00-14:00	Lunch & Exhibition Tour	
14:00-15:00	<b>Plenary lecture 3- Chair: Carlos Benbassat- Bareket Hall</b> <b>Richard Kloos, “Differentiated thyroid cancer: The approach to the patient with persistent disease”</b>	
15:00-16:30	<b>Symposiums (2 parallel sessions):</b>	
	<b>New Developments in Thyroid Cancer</b> <b>Bareket Hall- Sponsored by Genzyme</b> Chairs: Eyal Robenshtok, Anat Yaffe	<b>Emerging translation aspects in diabetes and obesity research</b> <b>Madrid-Milano Hall</b> Chairs: Avi Karasik, Naftali Stern
	<b>Richard Kloos</b> , “Preoperative Diagnosis of Benign Thyroid Nodules with Indeterminate FNA Cytology”	<b>Yehiel Zick</b> , “Novel targets of cytokine-induced beta cell death”
	<b>Gideon Bachar</b> , “Robotic transaxillary thyroidectomy: indications, technique and patients outcomes”	<b>Hannah Kanety</b> , “Post-transcriptional gene regulation by microRNAs and RNA-binding proteins in obesity and diabetes”
	<b>Ohad Cohen</b> , “Radioactive iodine therapy: When, how and how much?”	<b>Derek Leroith</b> , “Diabetes and cancer risk: the roles of insulin and cholesterol”
	<b>Aharon Popovitzer</b> , “The role of modern biological treatments in advanced thyroid cancer”	
16:30-16:45	Coffee break	
16:45-17:45	<b>Meet the Professor</b> <b>Madrid-Milano Hall</b>	<b>Meet the Professor</b> <b>New-York Hall</b>
	<b>Richard Kloos</b> , “Treatment of well differentiated thyroid cancer: open discussion on an index case”	<b>Alan Rogol</b> , “Doping in sport with endocrine system active agents: An issue of Olympic proportions”

## Halls Index

### Halls

<b>Bareket Hall</b>	<b>H1 Floor</b>
<b>Shoham Hall</b>	<b>H1 Floor</b>
<b>Coral Hall</b>	<b>H2 Floor</b>

### Hotel Halls

<b>Madrid-Milano Hall</b>	<b>M1 Floor</b>
<b>Tokyo Hall</b>	<b>M1 Floor</b>
<b>New York Hall</b>	<b>M1 Floor</b>
