Call for Abstracts

Dear Colleague,

We hope that you will attend and invite you to submit an abstract for **The Joint Meeting of The Islet Study Group & Beta Cell Workshop**, which will take place on May 3-7, 2015, in Jerusalem, Israel.

Both the EASD Islet Study Group of the European Association for the Study of Diabetes (EASD), and the Beta-cell Workshop focus on pancreatic islet biology and its relevance to diabetes. This joint format will feature internationally renowned faculty and will be open for oral and poster contributions.

The Meeting will cover topics such as:

- Islet cell development and differentiation
- Islet cell regeneration
- Genome-wide aspects of islet cell function and development
- Islet cell function and physiology
- Stress and failure of the pancreatic islet

Abstracts Submission Deadline: January 20, 2015
